ROLLOVER FORM

What does Rollover mean?

Rollover means your employee giving (payroll deductions) from the 2021 Employee Giving Campaign will automatically roll over to the 2022 campaign including gift amount, type of pledge and any designations, unless any changes are specified by you. Gifts that were made via cash, check or credit card are not eligible for rollover and would need to be made by you as a new gift. You always have the option to make changes to your gift including an increase, decrease or other adjustment based on your personal situation. If you choose to rollover your donation, you will receive your gift at the corresponding level.

CCTC Foundation Made in the 60's

What steps are involved?

Complete and submit the confirmation form at the bottom of this page. Done! Payroll deducations will begin with the October 15th paycheck.

The CCTC Foundation will use a Rollover Form for the 2022 Employee Giving Campaign. We understand that this means all payroll pledges submitted in 2021 will be continued for 2022, unless otherwise notified by the donor of any changes.
