

Directions to SCETC

From Columbia and points West:

From I-26 East, take I-77 North. (Same directions from I-77 South from this point on)

***Take the Hwy 76/378 East exit. Follow Hwy 378 towards Sumter...about 35 miles. Look for Hwy 441- BEFORE Shaw Air Force base. Make a right onto Hwy 441 at intersection of HWY 378. (Exxon station and shopping center on corners). Follow Hwy 441 through intersection of Loring Mill Rd. where it becomes Wise Dr. (Amoco station on the right and Alice Drive Baptist Church on the left). Continue on Wise Dr. across Alice Dr. (intersection has CVS on right and Heavenly Ham on the left), then make a right onto Theater Dr. (First right...no left turn possible...look for ballpark and tennis courts). SCETC is on the right just before the STOP sign at the corner of Guignard and Theater.

From points North and South (I-95 access):

Take I-95 (North or South, depending on where you are coming from) to the Hwy 521/ Sumter exit. Follow Hwy 521 (North) into Sumter, where it becomes Guignard Dr. Just past the intersection of Miller Dr., (traffic light, main campus of CCTC on your left) make a left (NOT an intersection, just a — turn lane“) onto Guignard Dr. proper. SCETC is one block on the left, just past the rest home. If you get to the cemetery, you’ve gone too far!
