INTRODUCTION

Planning at Central Carolina Technical College

Central Carolina Technical College engages in ongoing, integrated, and institution-wide research-based planning and evaluation processes. The elements of Central Carolina Technical College's planning processes incorporate a systematic review of the institution's mission, goals, and outcomes; and the result is continuous improvement in the institution's quality and demonstrates that the institution is accomplishing its mission. Planning for institutional effectiveness involves two processes: 1) annual planning and 2) strategic long-term planning. Both employ assessment for continuous improvement as a parallel process to planning. The College involves multiple stakeholders in its collaborative planning process and maintains a focus on its mission in planning for institutional effectiveness.

It is the responsibility of the Executive Leadership Team (ELT) to provide leadership through established procedures to ensure comprehensive and integrated planning and budgeting processes throughout the institution. The procedures employed are designed to empower the organizational units to plan, evaluate, and continuously improve student learning, teaching, and support services through the identification of expected outcomes. The Director of Planning and Grants coordinates all planning functions at the College and works with the College's SACSCOC Liaison to ensure the institution is following all Southern Association of Colleges and Schools Commission on College's accreditation standards related to planning and institutional effectiveness.

Mission Statement

Central Carolina Technical College is a comprehensive, public, two-year institution of higher education dedicated to fostering a positive environment of teaching and learning for faculty, staff, and students. The College serves primarily the region of Clarendon, Lee, Kershaw, and Sumter counties in South Carolina and confers associate degrees, diplomas, and certificates. College programs, student support services, and resources provide citizens, businesses, industries, and communities with quality, affordable, accessible, customer-responsive post-secondary education through life-long learning and specialized training opportunities. These are designed to develop the foundation for personal growth, economic development, and an improved quality of life through multiple learning environments including traditional and electronic instructional methods.

The College's vast array of associate degree, diploma, and certificate programs prepares students to enter the job market, to transfer to senior colleges and universities, and to achieve their professional and personal goals. Specifically, Central Carolina offers academic programs in business, the health sciences, public service, industrial and engineering technology, and the arts and sciences. Through its comprehensive programs and support services, the College serves students through traditional and non-traditional formats in multiple learning environments including online, electronic, and distance learning. (Revision approved by the Central Carolina Technical College Area Commission on January 15, 2015, and the South Carolina Commission on Higher Education on April 1, 2015.)

2015-2020 Strategic Plan Integration

With the conclusion of the 2010-2015 Strategic Plan in 2015, the College initiated the development of the 2015-2020 Strategic Plan in October 2014 with the distribution of the final plan in July 2015. This facilitated the integration of the new 2015-2020 Strategic Plan into the annual planning processes for 2015-2016. The areas of focus and supporting goals identified in the 2015-2020 Strategic Plan are as follows:

Area of Focus 1: Educating Students

CCTC provides accessible, affordable postsecondary education in a positive learning environment to students in its four-county service area. CCTC's programs effectively prepare students to enter the workforce or to transfer to four-year colleges.

Goal 1: The College will foster an environment conducive to student success.

Goal 2: The College will expand its accessibility and program offerings.

Goal 3: The College will strengthen students' pathways to four-year colleges.

Area of Focus 2: Faculty and Staff

CCTC's strongest resource is the people serving the College as faculty and staff members. CCTC offers its faculty and staff benefits, flexible work schedules, and professional development training. CCTC will continue to seek to identify additional resources to support the teaching and learning environment to retain and attract qualified, professional, and engaged faculty and staff.

Goal 4: The College will attract and retain quality faculty and staff.

Area of Focus 3: Partnerships

CCTC must maintain beneficial partnerships to accomplish its Mission and to better serve the constituents in the College's service area.

Goal 5: The College will strengthen its role with K-12 institutions and become a first-choice option for high school students.

Goal 6: The College will identify and maintain community, legislative, workforce, and higher education partnerships to accomplish its Mission.

Area of Focus 4: Workforce Development/Continuing Education

CCTC's educational noncredit programs partner with local businesses and industry to provide immediate and long-term, effective, hands-on training for their workforce in Clarendon, Kershaw, Lee, and Sumter counties. The College works to attract and retain new businesses and to anticipate the future workforce needs of the business community.

Goal 7: The College will expand the continuing education training and educational programs' scope and effectiveness within the community.

Area of Focus 5: Resources

CCTC will seek ways to increase its revenue flow through internal and external means. The College must also find ways to increase enrollment while keeping tuition reasonable.

Goal 8: The College will practice effective stewardship of its resources and seek new avenues of funding.

Review of Accomplishments of the 2015-2016 College Annual Goals

Central Carolina Technical College employs the practices of reviewing the previous year's plans of action throughout the institution as a basis for the formulation of the upcoming year's plans of action. This is an institution-wide practice and results in an integrated and comprehensive review of the Annual College Goals. While the specific detailed level of accomplishments is recorded at the division and departmental levels, the College accomplished many objectives during the 2015-2016 year on both the divisional and institutional levels. This roster of accomplishments supporting the 2015-2016 Annual Goals is evidence of the qualifications and experience of the professionals at Central Carolina Technical College which spans work experience in public education, private sector experience, community involvement, academic preparation, and experience in leadership and management to support the Mission of the College. The following section reflects the accomplishments for each of the College's Annual Goals for 2015-2016, and each goal was aligned with an area of focus and goal in the College's 2015-2020 Strategic Plan.

Compare online and F2F counterparts to identify online courses to target for action to improve retention and student success	<p><u>HS</u> MRCO added chapter review to AH 102 F2F and online section supplemental materials as well as quiz study guides and chat sessions. Documentation: AHS 102 2015-16 CR, QSG</p> <p><u>LR&P</u> A comparison of 30 courses with both online and F2F sections revealed 22 courses with lower retention rates than the face-to-face counterpart. No online course had a retention rate below the College's actionable benchmark, which is less than 60%. No online course had greater than a 30 point difference.</p>	<p><u>HS</u></p> <p><u>LR&P</u> This data suggests that retention in online courses is lower on average than a F2F counterpart. Overall, retention has improved. 7 online courses showed an increase in retention from Fall 2014 to Fall 2015. Continued monitoring and proactive measures to improve</p>

		retention in online courses will be instituted.
Promote online course orientation	<p><u>Gen Ed</u> Online orientation promoted to all online students via email.</p> <p><u>LR&P</u> In addition to allowing students to “self-register” for the orientation, students taking online courses for the first time were bulk enrolled into the orientation, sent a letter with instructions for completing the orientation, and sent an email if letters bounced back or they registered late. During Fall 2015, 588 of the 921 (64%) students identified as needing the orientation completed the orientation. Retention and success rates were significantly higher for those who completed the orientation. (Retention 87% compared to 68%; Success 74% compared to 41%)</p>	<p><u>Gen Ed</u></p> <p><u>LR&P</u> Continue to promote the orientation and communicate the importance to faculty and students.</p>
Implement peer reviews of online course design	<p><u>Gen Ed</u> Department chairs reviewed online courses for required components and work with Distance Education to complete online review process.</p> <p><u>B&PS</u> AOT and CT lead instructors go through the online and hybrid courses and make suggestions or give approval to other instructors teaching the courses. Many changes have been implemented this Summer in CPT 101 based on a full faculty review of the course design.</p>	<p><u>Gen Ed</u></p> <p><u>B&PS</u> Departments will continue to work together to ensure that online courses are reviewed and of the highest quality.</p>

The College will process \$800 bonuses to all eligible employees as provided by the FY 16 state appropriations act; adjuncts in targeted areas will be offered higher pay rates to attract adjuncts in areas of need	\$800 bonuses were administered in accordance with state criteria. Adjuncts were offered higher pay rates in high need areas.	Continue to review salaries and make adjustments when possible, especially when there are internal inequities.
The College will provide professional development and training opportunities for new and current employees in the areas of new employee orientation, budget, Banner, supervision, safety and security, personnel, personal interest, and wellness	Provided professional development and training opportunities in the areas of new employee orientation; personnel policies & procedures training; wellness, interviewing; supervisory practices; goal setting; EPMS/FPMS automation; customer service; safety and security; active shooter; purchasing card; cashier; and IT related training.	Continue to provide internal professional development training to employees at a low cost to help offset effect of lower PDP budgets.
Maximize employee recruitment sources to increase opportunity for more diverse workforce	Added additional employee recruitment source to increase opportunity for more diverse workforce. Equal Employment Opportunity (EEO) goal attainment dropped to 86.2%. 6 of 9 professional hires were black females.	Progress was made subsequent to report submission, which should result in improved results for 9/30/16 report.
Provide flexibility and promotional opportunities for employees	Flexible schedules are offered to most employees based on their dept. needs. Employees were encouraged to apply from within and were promoted when	Continue to provide flex schedules and promotional opportunities.

	appropriate. There were 5 promotions during FY 16.	
Provide comprehensive employee wellness program for employees	Wellness program provided workshops, exercise classes, discounts on gym memberships, and gym membership reimbursements. The Wellness team met quarterly.	Continue to provide wellness program to employees.
Automate the Employee/ Faculty Performance Management System (E/FPMS) and Position Description process	Fully implemented automated EPMS/FPMS system. Several issues identified to work out. Also implemented a new Universal Review Date for staff.	Will work to resolve all issues with EPMS/FPMS automated system.

Goal No. 3: Allocate, monitor, and manage College budget and other resources effectively and efficiently and in accordance with all federal, state, and local laws, rules, and regulations

Expected Outcomes for Goal No. 3

- 3.1 College employees will understand how to monitor their budgets, and make transfers and revisions as necessary.
- 3.2 The College will operate within the approved budget; available resources are allocated to support the College's mission and Annual Plan of Action.
- 3.3 The College will comply with state law and SC Energy Office requirements to submit an energy plan and reduce energy consumption.
- 3.4 The procurement process will be efficient; external and procurement audits will result in no major findings related to procurement or internal controls; the College will adhere to all federal and state regulations.
- 3.5 The College's inventory and surplus property process will be managed in accordance with State requirements.

Offer periodic new employee orientation (NEO) and budget training to teach employees to monitor and adjust budgets	NEO offered at least once a semester; procurement and purchasing card training and cashier training was provided online; budget training was not offered.	NEO training was improved by having business office training in person instead of on video; budget training will be offered in FY 17.
Prepare and distribute/review and analyze monthly or periodic financial reports; monitor online reports as necessary	Various financial reports were prepared monthly or periodically and analyzed; budget information is available through myCCTC and is up-to-date; the state transparency report was updated and posted to the web before the 15 th of each month.	Financial reports will continue to be monitored to determine if any budget actions need to be taken.
A review and analysis of student debt (to CCTC) will be conducted and studied to determine ways to reduce bad debts	An analysis of student debt was completed. Debts stemmed from Return to Title IV calculations, bookstore overcharging, financial aid adjustments and 3 rd party payment adjustments.	Information has been presented to full time and adjunct faculty to encourage timely reporting of withdrawals in order to reduce unearned financial aid refunds; will continue to review student debt.

Strategy	Outcomes Accomplished from Strategies Implemented	Use of Results for Continuous Improvement
Monitor energy usage and utilize electronic energy management system to schedule HVAC and lower energy costs; prepare required annual reports	Energy use per square foot decreased by 7.23% (excluding the new AMTTC facility); the College has continued to monitor energy usage and utilize the energy management system to schedule HVAC; required reports were submitted; the Energy Team met quarterly.	Continue to monitor energy usage and utilize the energy management system for scheduling HVAC.
Expenditure budgets will be reduced to reflect reduced tuition revenue as enrollment decreases are experienced	Budgets were adjusted and the College ended the fiscal year with a small surplus of \$70,757.	Continue to closely monitor budgets and look for ways to lower expenses or increase revenues.
Annual inventory will be performed and surplus fixed assets will be reviewed on a regular basis and reallocated or turned in as quickly as possible.	A 100% physical inventory and verification process was completed for FY 16. Surplus property was reallocated or turned in on a timely basis. 646 items were turned in.	Continue to follow state and College processes for inventory and surplus.

Goal No. 4: Provide and maintain College facilities (buildings & grounds) that are safe, sufficient, attractive, and efficiently operated

Expected Outcomes for Goal No. 4

- 4.1 College facilities and equipment (including vehicles) will be maintained adequately, and deferred maintenance will not increase.
- 4.2 Facilities and grounds will be maintained at a high level of cleanliness and attractiveness.
- 4.3 Capital projects will stay on schedule and within budget.
- 4.4 Safety and security services will be provided that ensure the safety and security of College property, employees, students, and visitors.

Conduct weekly and monthly inspections of all facilities and grounds and make corrections as needed	Weekly and monthly inspections of all facilities are made in conjunction with the PM schedule. Grounds are inspected, policed and maintained also on a weekly and monthly basis.	Inspections will continue weekly and monthly and the PM schedule will be followed and updated.
Coordinate and manage small renovation projects as funds are available	Completed F.E. Dubose centralized student services renovation; conversion of 490 & 491 to computer labs; renovation of 591; as well as some other small projects; also began working with architects on design of building 400 renovation.	Continue to coordinate and manage small renovation projects as funds are available, including the 400 renovation project.
Manage the AMTTC Phase II renovation project if funded	AMTTC project completed in December 2016.	Continue to follow up on any warranty issues that arise.
Collaborate with Kershaw County, and others to expand the Kershaw Campus	Meetings were held to begin design of the new building.	Continue to work with the County and others to have project completed by December 2017.
Update and monitor the deferred maintenance plan; reduce DM needs as funding allows	2 HVAC projects were completed.	No funding for new projects in FY 17 but will continue to keep plan updated.
Provide college-wide training on safety and security procedures, including an active shooter training and conduct periodic tornado and fire drills as required by College policy.	Annual safety & security training was conducted online; active shooter training was conducted in February but was not effective due to improper planning; partial tornado and fire drills conducted but not well documented.	Additional training will be offered as needed to comply with Clery and Title IX requirements; CCTC and USC Sumter will work together and plan further in advance to offer a useful active shooter training 2/24/17, and also test the emergency notification system as part of the training; all buildings and locations will be included in future tornado and fire drills and be documented; deficiencies will be promptly addressed.
Prepare an annual security report (ASR) as required by law	2015 report (for 2012-2014 data) was prepared and published by the deadline. However, it was discovered in Clery training in 2016 that the College's ASR did not meet all requirements.	ASR has been completely revised to meet all requirements and contain accurate data.
Implement Commit to Quit @ CCTC, a grant funded tobacco free initiative, in January 2016	Tobacco/smoke free policy implemented in January 2016. However, security staff did not fully enforce.	Staff have been instructed on policy and new director has begun to enforce.

Goal No. 5: Provide high quality auxiliary and internal services that are competitively priced and enhance the educational programs and services of the College

Expected Outcomes for Goal No. 5

- 5.1 Print shop and mail room services are efficient and provided at a lower cost than outsourcing.
- 5.2 The Bookstore and vending services will provide quality products and services and operate at a profit.
- 5.3 Food service will be provided by external vendors on main campus.

Maintain a high level of customer service to all students, faculty, and staff	Student survey results indicated an 84.3% - 84.7% satisfaction with bookstore services. Friendliness of bookstore staff was noted as an area to be addressed.	The bookstore (BS) and financial aid (FA) are working together to help create a better customer experience in both the BS and FA. Staff have received customer service training.
Continue to work with department chairs and look for ways to reduce the cost of required materials for students	A new contract was implemented that continues lower prices of certain CPT textbooks. Open stack books are now being used in the CHM courses.	Continue to look for opportunities to save students money.
Monitor budgets throughout the year and prepare yearend financial reports for bookstore and vending	Auxiliary services contributed \$378,512 to the College budget in FY 16, down from \$517,073 in FY 15.	Continue to monitor budgets and ensure a reasonable mark up.
Work with local food vendors to continue to provide lunch 4 days a week, and breakfast as many days as possible	Food vendors are available Monday – Thursday when classes are in session.	Will continue to identify new vendors who may be interested in filling any available slots.

Goal No. 6: Provide academic and administrative systems and infrastructures that are responsive to the operation and management needs of the College and delivered in a timely and effective manner; provide comprehensive, responsive, and efficient and effective assistance to meet the changing requirements of users

Expected Outcomes for Goal No. 6

- 6.1 Administrative systems will be used to improve efficiency and productivity.
- 6.2 A reliable and responsive network and hardware infrastructure will be provided such that users are unhampered by bandwidth, application, or location. Services should be functional 96% of available time.
- 6.3 ILT plans for reasonable protection of information resources and systems from illegal access and use.
- 6.4 Technology will be appropriate to support all CCTC stakeholders and replaced on a regular cycle to assure access to current technology.
- 6.5 Provide a centralized single point of contact for all User Support Services (USS).
- 6.6 Provide technology training to employees and students as needed.

The backup and recovery system for major systems, programs, and data will be monitored and managed appropriately	The College’s data backup and recovery systems are monitored daily with weekly off-site copies couriered by ILT staff. The disaster recovery (DR) site has not been tested this period. There are two outstanding issues.	Both Applications and Networking teams are tasked with testing the DR site and resolving the outstanding issues.
Continue to improve IT security—utilize results from Banner Data Defense (BDD) to monitor network traffic and activity; continue the whole disk encryption process for notebook computers issued to employees; continue to enhance security policies; utilize a system wide consultant to assist with a gap analysis, develop a plan and recommend new security policies	<p>Daily, active monitoring is enabled through the use of Banner Data Defense, LogRhythm, and Packetshaper technologies.</p> <p>Whole disk encryption is 99% complete.</p> <p>The SCTCS contracted with Coeur Group to conduct a detailed, system-wide analysis of the Information Security posture of each college and the system as a whole.</p> <p>This project is still in process with expected deliverables being a system-driven set of INFOSec policy templates, current NIST heatmaps for each college based on results from the comprehensive INFOSec survey administered to each institution, strategic recommendations for INFOSec implementation, and a roadmap for continuance once Coeur is no longer engaged directly in the project.</p>	Continue to collaborate with the ISM Peer Group to develop a system-wide INFOSec program for the SCTCS.
Implement the Banner Mobility Solution	This project was delayed due to higher priority projects related to the upgrade of the College’s Luminis portal to version 5, implementation of the Scholars and Lottery Financial Aid programs, and automation of Financial Aid batch jobs.	After research with other Banner Colleges, there are numerous issues with this product. We have issued an RFQ and will implement another product in FY 17.
Implement the Change Management process developed by the USS CoP	The Change Advisory Board (CAB) was re-convened and expanded to include representation from academic and administrative business units. The CAB approved the Change Management Process procedure and submitted to ELT, where it was approved.	ILT will monitor the effectiveness of the Change Management Process and make adjustments as needed to ensure thoughtful analysis of change requests on a multidisciplinary basis while maintaining an efficient workflow.
Implement Luminis 5	The Luminis 5 portal (myCCTC) upgrade was completed January 19, 2016.	With the change of SSO authentication services required by Luminis 5, ILT has been addressing

		<p>a few remaining authentication or credential synchronization processes that are not automated.</p> <p>The Applications Development and Support team will continue to work with our vendor, TechProven, to identify the cause of the remaining issues, resolve the issues, and reconcile any account creation and/or credential synchronization problems that remain.</p>

It is unclear if this is an anomaly or a new trend.</p> <p>The department will continue to investigate modifications to programs and services that will appeal to student perceptions of technology resources.</p>
<p>Upgrade all routers and out of service infrastructure components to support expanded bandwidth if funding allows</p>	<p>Significant enhancements were made to the College’s data connectivity effectively doubling the College’s Internet (200mb/s) and Metro-E bandwidth (500mb/s) for the main campus and increasing all outreach campuses from 20mb/s to 50mb/s with the exception of CCTC’s two Shaw sites which continue to use VPN tunnels through commercially available DSL and cable Internet connectivity.</p>	<p>Continue to monitor, shape, and respond to bandwidth utilization demands to ensure that the College’s mission-critical programs and services are supported at adequate levels and all customers receive adequate network resources.</p>

Goal No. 7: Facilitate effective planning, evaluation, and use of results for quality support services for continuous improvement

Expected Outcomes for Goal No. 7

- 7.1 Publish divisional and departmental plans of action, annual effectiveness reports, and unit outcomes that reflect and support the College’s strategic plan and annual goals.
- 7.2 Complete EPMS process annually for all staff, ensuring they support the annual plans of action.
- 7.3 Implement the College Facilities Master Plan.
- 7.4 Comply with the Information Security Plan requirements.
- 7.5 Comply with “red flag rule” requirements and prevent identity theft.

Develop and complete plans of action for the division and departments by deadlines	Divisional and departmental plans of action completed on time for all areas.	Plans of action are monitored during the year and an effectiveness report is prepared at the end of the year.
Develop unit outcomes for the next three year cycle	Unit outcomes were developed for each department.	First year outcomes were assessed and reported.
Review results from College surveys and other means of assessment to improve services	All applicable surveys, evaluations, and reports were reviewed for feedback on Business Affairs Division services as documented in this AER.	Most results were positive, but negative comments were reviewed and assessed and will be improved upon in the coming year.
Perform an Administrative Unit Review (AUR) and assessment for ILT department	The AUR was conducted for this department and report issued.	Results of AUR being used in FY 16 AER and FY 17 POA; additional depts. will be reviewed in FY 17.
The results of the TechQual+ survey will be used to develop a technology plan	This did not occur in FY 16.	Use the results of the TechQual+ and Student Survey of Programs and Services along with input from existing user groups to develop a multi-year strategic technology plan in FY 17.
Assess progress of POA objectives and compile an annual effectiveness report showing outcomes and use of results	Divisional and departmental effectiveness reports were completed showing outcomes and use of results	Effectiveness reports are used in developing the following year's plans of actions
Prepare EPMS documents for all employees by deadlines	EPMS documents prepared and submitted for all Business Affairs employees by deadline	Objectives for individual employees are tied to departmental plans of action.
Ensure that the College capital plan and budget reflects the priorities of the facilities master plan as resources allow	The facilities master plan was used in developing the annual capital plan and budget; the Kershaw expansion is on this plan	The facilities master plan will be reviewed annually and adjusted if needed, and used as a basis for planning of large capital projects.
Update and monitor the Information Security Plan	This document was not updated in FY 16 but the Director of ILT spent a significant amount of time working with the Technical College System and IT security teams to add, update and enhance security policies and procedures.	The Information Security Program and Plan will be updated in FY 17 working with the Information Security Team.
Update and monitor the identity theft program	This program is included as part of the Information Security program/plan.	
Support the QEP project with resources as needed	Served on the QEP team and various subcommittees. Provided necessary data and research to support development of QEP plan; established Freshman Focus Center; created/updated reports as requested.	Continue to support QEP as requested.

ADMINISTRATION AND PLANNING
2015-2016 Annual Effectiveness Report

Mission: To provide leadership and service supporting the College’s mission and institutional effectiveness through strategic planning and reporting for continuous improvement; provide accurate and timely data for decision making related to student success and reporting requirements; manage the College’s regional accreditation compliance process; provide support for program accreditation; manage the alumni affairs program; manage the College’s professional development program; and provide leadership and management for the grant compilation and submission process.

Goal No. 1: Manage the College’s planning process to ensure a comprehensive, college-wide planning and assessment system supporting teaching and learning; complete ongoing evaluation of CCTC Strategic Plan and annual goals to identify benchmarks and manage progress; and integrate the planning process into the College’s annual workflow, budget, and procedures for continuous improvement. [Planning & Grants in 2016-2017]
