I. POLICY

It is the policy of Central Carolina Technical College to adhere to all State and Federal laws pertaining to web accessibility.

II. PROCEDURES

Central Carolina Technical College is committed to ensuring access to its Web-based resources in accordance with State and Federal legal requirements. All College Web sites, as defined under Title II of the Americans with Disabilities Act (ADA), shall be designed to be accessible, so that people with disabilities have access to online information, data, and services comparable to that accorded to individuals who do not have disabilities.

Web Developers designing Web content for all official Web pages must consider accessibility issues during initial development. For all new Web pages and revisions to currently used Web pages, Web Developers must follow the minimum standards consistent with the most current Web Content Accessibility Guidelines (WCAG).
