

ROLLOVER FORM

What does Rollover mean?

Rollover means your employee giving (payroll deductions) from the 2022 Employee Giving Campaign will automatically roll over to the 2023 campaign including gift amount and type of pledge unless any changes are specified by you. Gifts that were made via cash, check or credit card are not eligible for rollover and would need to be made by you as a new gift. You always have the option to make changes to your gift including an increase, decrease or other adjustment based on your personal situation. If you choose to rollover your donation, you will receive your gift at the corresponding level.

What steps are involved?

Complete and submit the confirmation form at the bottom of this page. Done! Payroll deductions will begin with the Oct. 15 paycheck.

The CCTC Foundation will use a Rollover Form for the 2023 Employee Giving Campaign. We understand that this means all payroll pledges submitted in 2022 will be continued for 2023, unless otherwise notified by the donor of any changes.
